### **Introduction:**

The Department of Community Health Nursing, Godavari College of Nursing, Jalgaon, organized a webinar on “**Breast Cancer Awareness**” on 13th October 2025. The **theme of the webinar, “Every Story is Unique, Every Journey Matters,”** emphasized the importance of individual experiences and early detection in the fight against breast cancer. The program aimed to educate nursing students about breast cancer prevention, diagnosis, treatment, and the psychological support required for patients.

### **Objectives:**

- To create awareness about breast cancer and its early detection.
- To provide knowledge regarding risk factors, signs, and symptoms.
- To promote self-breast examination techniques among students.
- To sensitize students about the importance of emotional and social support for breast cancer patients.

### **Program Highlights:**

The session began with the inauguration and welcome speech by **Ms. Swati Gadegone, Assistant Professor**, who warmly welcomed the chief guest, faculty members, and participants.

The keynote address was delivered by **Dr. Arti M. Wasnik, Associate Professor, Ph.D. in OBGY**, who shared insightful information on the causes, stages, prevention, and management of breast cancer. She also emphasized the significance of early detection and regular health check-ups.

The webinar was highly interactive, with students actively participating in the question-and-answer session. The speaker shared real-life examples

highlighting that each patient's journey with breast cancer is unique, reinforcing the theme of the program.

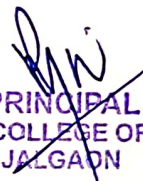

The event concluded with a **vote of thanks** proposed by **Ms. Divayana Pawar**, expressing gratitude to the guest speaker, faculty members, and participants for making the webinar a great success.

The webinar was attended by **B.Sc. Nursing 5th Semester students**, who gained valuable insights into breast cancer awareness and its relevance in clinical and community health nursing.

#### **Conclusion:**

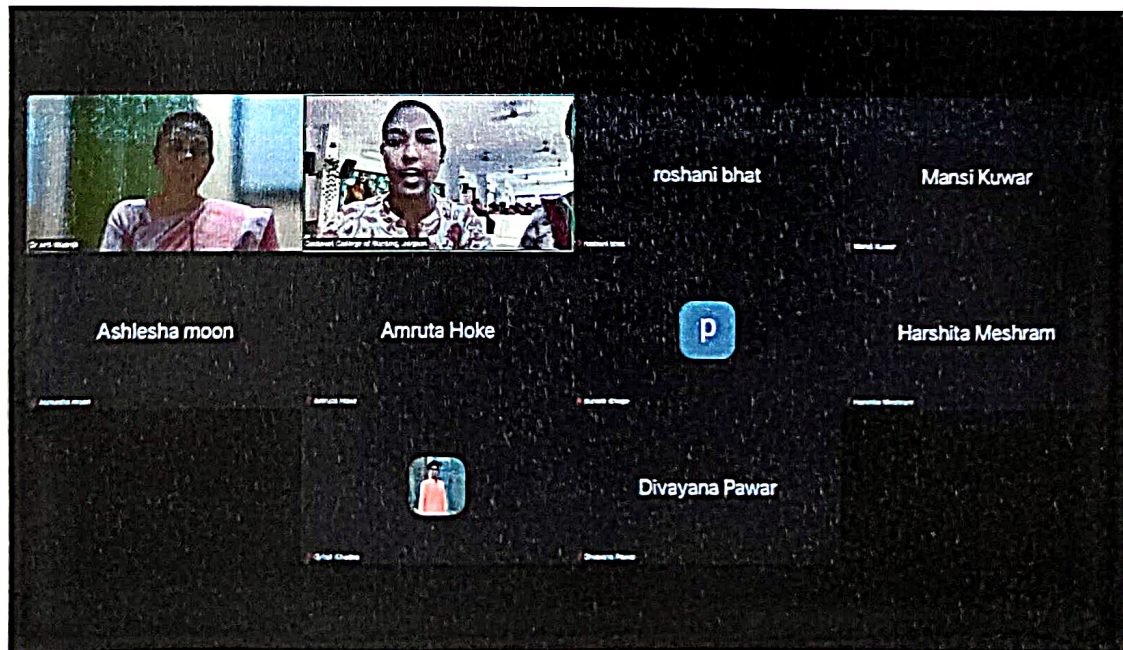

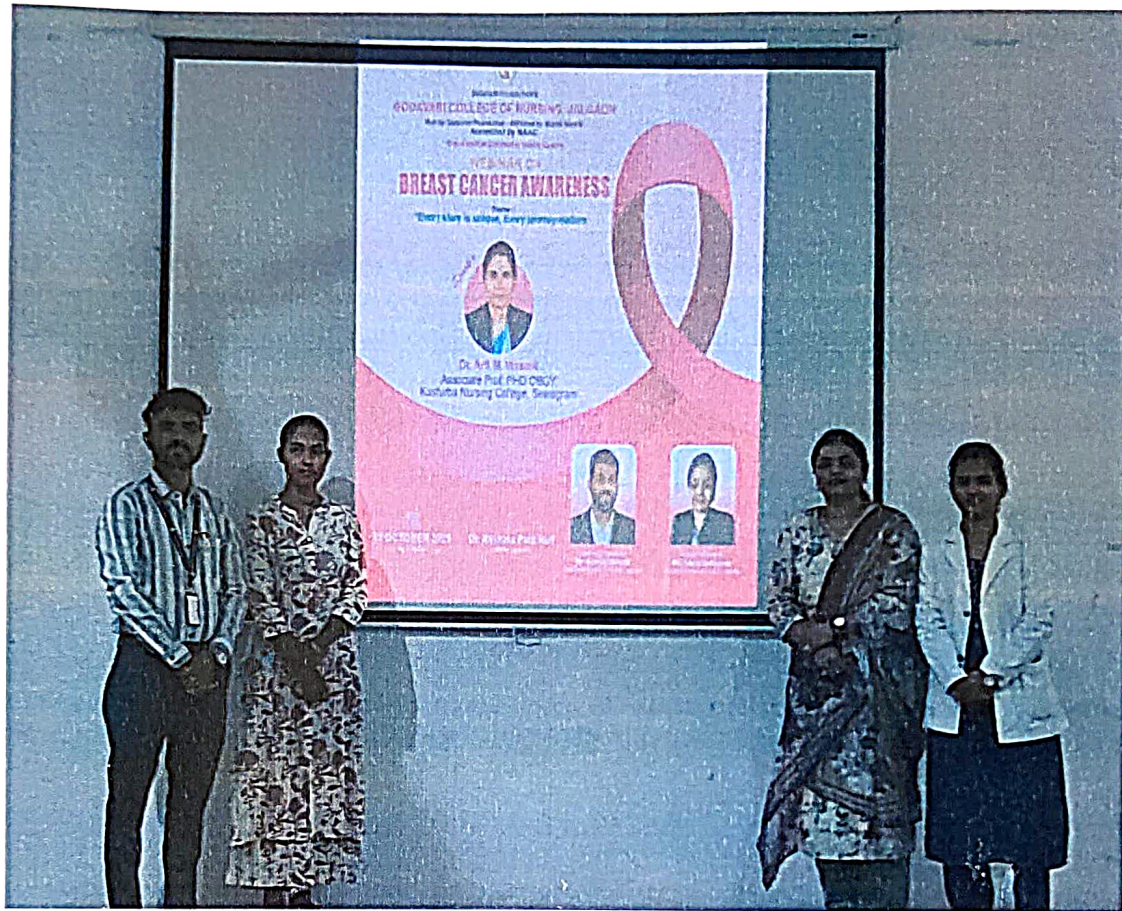

The **webinar on “Breast Cancer Awareness”** was an enriching and informative session that inspired students to play an active role in spreading awareness about breast cancer in society. The session successfully achieved its aim of enhancing knowledge, empathy, and responsibility among future nursing professionals.
