The induction program for the General Nursing and Midwifery (GNM) 1st-year students was conducted on 21st September 2025 at 10:00 AM in Dr. Akshata Patil Hall. The event commenced with the felicitation of the Principal Madam, followed by her motivational speech, which warmly welcomed the new students and inspired them to embark on their academic journey with dedication and enthusiasm.

Thereafter, Ms. Ashlesha Moon, the coordinator of GNM 1st Year, delivered a comprehensive **course orientation**. She elaborated on the curriculum, course objectives, academic expectations, and the opportunities that lie ahead for the students, ensuring clarity and understanding of their forthcoming educational path.

Following the orientation, Mr. Suraj Khawate, the class teacher, introduced the faculty members to the students. This session helped students familiarize themselves with their mentors and the support system available to them throughout their studies.

The session continued with **subject introductions**, where each subject was presented by the respective faculty members as follows:

- **Bioscience** introduction by Mr. Suraj Khawate
- **Behavioural Science** introduction by Ms. Mayuri

After the subject introductions, Ms. Mayuri addressed the students regarding the **rules and regulations** of the institution, emphasizing the importance of discipline and adherence to guidelines for a successful academic tenure.

To offer a visual insight into the campus environment and facilities, a video presentation was screened. This helped the students feel connected to their new surroundings and better understand the resources available to them.

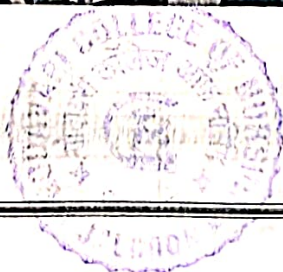

The event concluded with a **vote of thanks** delivered by Ms. Megha, the class teacher, who expressed gratitude to all participants, faculty, and organizers for their valuable contributions to the successful conduct of the program. The session was proficiently anchored by Ms. Mayuri, ensuring smooth proceedings throughout.
