# **REPORT ON SEMINAR ON VITAMIN DEFICIENCY DISORDERS**

**DATE:** - 13/10/2025

**TIME:** - 11:00AM TO 1:00PM

**VENUE:** - DR. AKSHATA PATIL HALL

**BENEFICIARIES:** - 1. All Teaching Staff Of GCON  
2.B.Sc. 5<sup>th</sup>Semester Student

## **OBJECTIVES:**

- 1.To Understand the Role of Vitamins in the Human Body
- 2.To Identify Common Vitamin Deficiencies
- 3.To Explore Causes and Risk Factors
- 4.To Learn Diagnostic and Screening Methods
- 5.To Discuss Preventive Strategies and Treatment
- 6.To Promote Awareness and Education
- 7.To Highlight the Role of Healthcare Providers

## **AIM:**

It increases knowledge about vitamin deficiency disorders among teaching staff and B.Sc 5<sup>th</sup>semester student.

## **INTRODUCTION:**

Vitamins are essential nutrients that our body needs in small amounts to stay healthy and function properly. They help in various processes like growth, immunity, energy production, and repair of body tissues.

When the body does not get enough of a particular vitamin from food or cannot absorb it properly, it leads to a condition called vitamin deficiency. This can cause a variety of health problems, depending on which vitamin is lacking. For example, a deficiency in vitamin A can lead to poor vision, while a lack of vitamin D can cause weak bones.

Vitamin deficiency disorders are common, especially in areas where people do not have access to a balanced diet. They can affect people of all ages, but children, pregnant women, and the elderly are more at risk.

Understanding the causes, symptoms, and prevention of these disorders is important to improve health and reduce the risk of long-term complications.

### **MINUTES OF SEMINAR:**

On 13 Oct.2025 Seminar on vitamin deficiency disorders was organized by Godavari college of nursing, Jalgaon to improve the knowledge of vitamin deficiency disorders among teaching staff and BSC 5<sup>th</sup> semester students.

The seminar of vitamin deficiency disorder for teaching staff and students were aware thought PPT presentation. They were reoriented on the role of vitamins in human body and vitamin deficiency disorders that learn them during their years of the study in college.

The programme started by welcoming and felicitation. The speaker of seminar DR. OMSHREE GUDE, Resident MBBS, MD Paediatrics DUPMCH, Jalgaon. Have taken the lecture on student through ppt presentation on vitamin deficiency disorders .

The Programme and PPT presentation was very informative and well knowledgeable by all the students.

### **Vote of Thanks:**

At last vote of thanks given by MS. Kirti Dhale, BSc Tutor, GCON, JALGAON
