AIMS

Identify skill gaps and plan your skill development to build portfolio of skills valued by employers

OBJECTIVES:

- To recognize the value of your skill and build a portfolio of skills valued by employers
- To develop the knowledge and detailed information to develop that are relevant.
- To equip the students with the basic information and skills regarding the basic ventilator use required for employment in ICU.
- To increase the proficiency of students for handling the ventilator

Overview of programme

Students support and progression committee conducted workshop on Basics of Mechanical ventilator on B.sc third year on date 25/7/2023 at lecture hall of Godavari College of Nursing Jalgaon. The program was hosted by Ms. Rashmi V. Tembhurne and Inauguration of Program was done by Prof. Vishakha Wagh (Vice Principal GCON, Jalgaon) and Mrs. Manorama Kashyap, (HOD Medical surgical Nursing) Associate professor, GCON Jalgaon Mr. Pravin Kolhe (Administrative officer). Dr. Rajeshwari MD Anaesthesia explained in details about there are several ways a person can receive ventilator support.

Dr Ritesh Junior resident explained the exact working of ventilator setting and basic of ventilator while handling the emergency of patient in ICU

These include:

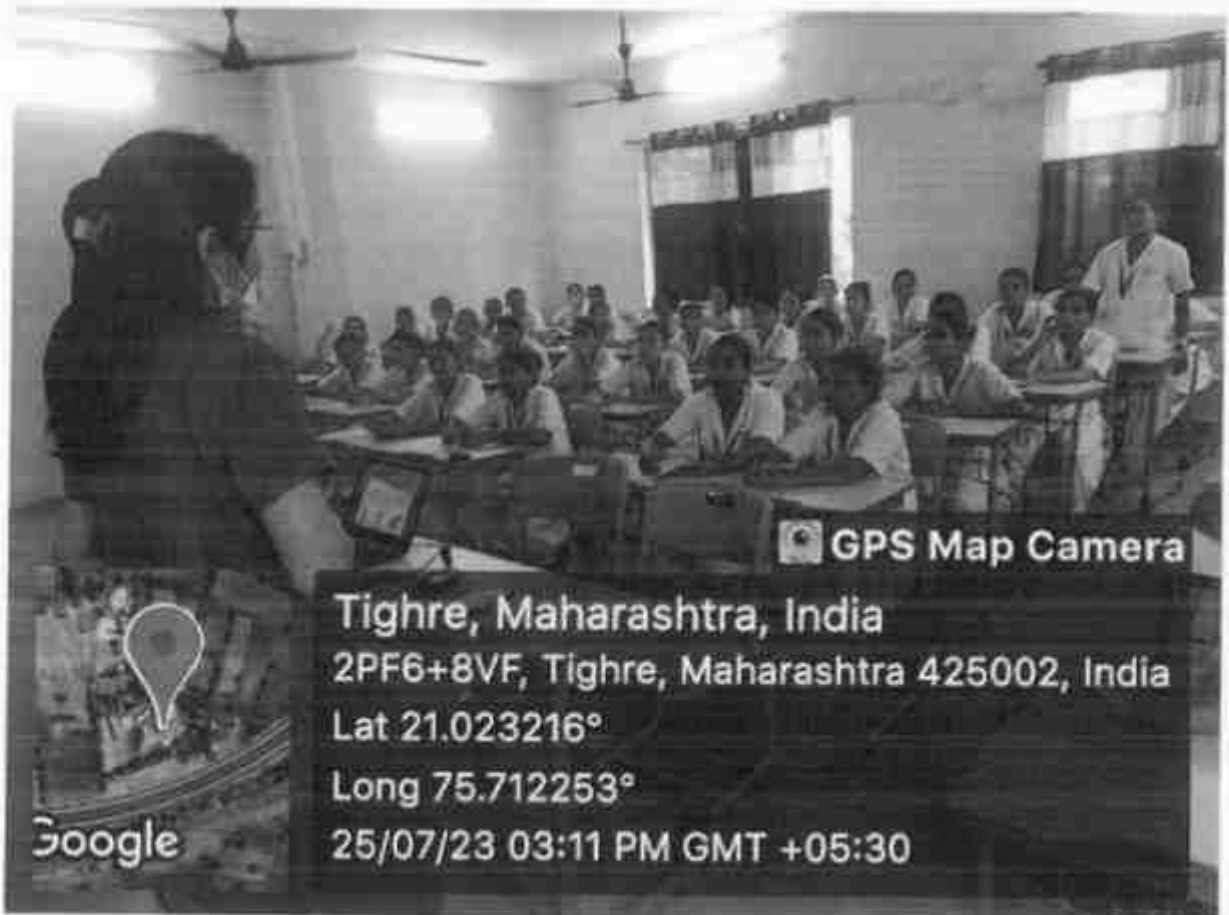

- **Types of Mechanical Ventilation**
- **Ventilator Settings Modes**
- **Face mask ventilators**
- **Mechanical ventilators**
- **Manual resuscitator bags**
- **Tracheostomy ventilators**

The total number of delegates was 92 they also actively participated and shown there delegations towards the programmes. Certificates were distributed by guest among the students.

Here by with the collaboration and cooperation of prime step along with students support committee departmental faculties; the program was successfully completed. At the ends of seminar vote of thanks given by Ms. Pranali Bude, Clinical Instructor GCON Jalgaon.
