WORLD MALARIA DAY

INTRODUCTION:

World Malaria Day is observed globally on 25 April every year. This day is observed to spread awareness among people globally to fight against malaria.

AIMS:

- To raise the awareness about malaria.
- To educate the student regarding Malaria.

OBJECTIVE:

1. To bring down malaria transmission level.
2. To reduce morbidity and mortality by early detection and treatment
3. To reduce malaria in urban by reducing vectors

REPORT ON WORLD MALARIA DAY

Department of community health nursing conduct world malaria day on 25 April 2021 in Godavari College of nursing at 9 am.

World Malaria Day 2020: Theme

The theme of World Malaria Day 2020 is “**Zero malaria starts with me.**” To End Malaria WHO joins the RBM Partnership in promoting “Zero malaria starts with me”. It is a grassroots campaign with an objective to keep malaria high on political agenda, mobilize additional resources and empower communities to take ownership of malaria prevention and care.

There were 30 students present on 25/04/2021 at 9 AM TO 10 AM In the presence of Miss. Rebecca Mam ,Mr.Nirbhay sir and Miss.Priya Jadhav
