## Background

**Godavari Foundation** was established in 1993 by a group of renowned professional doctors, led by Dr. Ulhas Patil, President of the Foundation and a former Member of Parliament. The Foundation was created with the mandate to "serve the needs of the common people and societies in the Jalgaon, area of North Maharashtra." Inspired by his mother, Smt. Godavari Vasudev Patil, Dr. Ulhas Patil established a unique network of educational institutions to provide job-oriented Health Science, technical and management education.

**Godavari College of Nursing**, established in the year 2004, with an objective to provide excellent, contemporary and service oriented education in the field of Nursing and quality nursing education in the country. It is recognized by the Indian Nursing Council, New Delhi, and MSBNPE/ Maharashtra Nursing Council Mumbai, it is affiliated to Maharashtra University of Health Sciences, Nashik, and it is accredited by NAAC. Godavari College of Nursing, Jalgaon is a leading Nursing Institute in Maharashtra attracting Students from all over the state for its well-known excellence in providing nursing education with excellent infra structure including digital classroom with smart board, well equipped laboratories with advance mannequin, lab articles and equipments.

Godavari College of Nursing, Jalgaon is overwhelmed to organize its first National Conference on 10 & 11 October 2024 on the theme "Bridging the Gap: Innovating Nursing Education for Excellence in Clinical Practice" by (Hybrid Mode) with the participation of eminent expert and scholars from all over the country. This is unique event for all the members and participants.

**GODAVARI COLLEGE OF NURSING**  
Run by Godavari Foundation's  
Affiliated by MUHS, Nashik

In collaboration with  
**Maharashtra University of Health Sciences, Nashik**  
Announces

**NATIONAL CONFERENCE 2K24**

On  
**Bridging The Gap: Innovating Nursing  
Education for Excellence in Clinical Practice**

## Aims and Objectives of the National Conference 2024

### Aims:

1. **Enhance Nursing Education:** To explore and discuss innovative approaches and strategies in nursing education that aim to bridge the gap between theoretical knowledge and clinical practice.
2. **Promote Excellence in Clinical Practice:** To highlight best practices, evidence-based methodologies, and advancements that contribute to excellence in clinical nursing practice.
3. **Foster Collaboration:** To create a platform for collaboration among educators, practitioners, and researchers to share insights and experiences that enhance nursing education and practice.
4. **Encourage Professional Development:** To provide opportunities for professional development and continuing education for nursing educators, practitioners, and students through workshops, keynote sessions, and interactive discussions.
5. **Address Current Challenges:** To identify and address current challenges in nursing education and clinical practice, and propose innovative solutions to overcome these challenges.

### Objectives:

1. **Showcase Innovative Educational Practices:** To present and discuss innovative teaching methodologies and educational tools that effectively bridge the gap between classroom learning and clinical application.
2. **Discuss Evidence-Based Clinical Practices:** To share the latest research findings and evidence-based practices that contribute to improving clinical outcomes and nursing care.
3. **Facilitate Knowledge Exchange:** To offer a forum for exchanging ideas and experiences among nursing educators, clinicians, and researchers from diverse backgrounds.
4. **Promote Interactive Learning:** To engage participants in interactive sessions, including workshops and panel discussions, that address practical aspects of nursing education and clinical practice.
5. **Explore Technological Advancements:** To examine the role of technology in enhancing nursing education and practice, including the integration of simulation, e-learning, and telehealth.
6. **Strengthen Networking Opportunities:** To provide networking opportunities for attendees to connect with peers, experts, and leaders in the field of nursing, fostering collaboration and professional growth.

## Participant Details

The event brought together total 557 participants from various institutions across the country (Online & offline). 297 were online participants and 260 are offline participants. Among the participants there were 205 undergraduates, 183 post graduates, 42 PhD scholars, 113 faculties and 14 Nursing Officers. We received 60 E-paper and 29 E-Poster for the National Conference 2024. Maharashtra Nursing Council, Mumbai, allotted **5 Credit Hours** to the participants, which attract the more participants. ## **Scientific sessions**

**DAY – 1: 10/10/2024**

### **Session – 1**

#### **Simulation Based Education for Clinical Readiness**

Mrs Jamuna Rani, AIIMS Kalyani, West Bengal, briefed about simulation-based education is essential for enhancing clinical readiness, ultimately leading to better patient care and safety. Her insights highlighted the necessity for nursing programs to adopt and expand SBE methodologies to meet the demands of modern healthcare environments.

### **Session – 2**

#### **A Collaborative Approach Between Nursing Educators and Clinical Nurses**

Dr. Larrisa Martha Sams, Principal & Professor Laxmi Memorial College of Nursing Manglore, emphasized that a collaborative approach between nursing educators and clinical nurses is essential for producing competent nursing graduates who are well-prepared for the demands of clinical practice. Her insights advocate for a cohesive educational framework that prioritizes partnership and shared expertise in nursing education.

### **Session – 3**

#### **Emotional Intelligence and Burnout Prevention: Creating Sustainable Nursing Careers.**

Dr. Rita Lakhani, Head Clinical and Recognition, Ebekmed Edventures Pvt Ltd. concluded that integrating emotional intelligence into nursing education and practice is essential for preventing burnout and promoting sustainable careers. Her insights advocate for a holistic approach to nursing that prioritizes emotional well-being alongside clinical competencies.

## Session – 4

### Evidence-Based Practice's Influence On Clinical Education

Dr. I Clement Principal, Sparsh college of Nursing Bengaluru, concluded that integrating evidence-based practice into clinical education is essential for developing competent nursing professionals who are equipped to provide high-quality, patient-centered care. His insights underscore the need for a robust EBP framework within nursing education to prepare students for the challenges of modern healthcare environments.

## Session – 5

### Innovative leadership models: shaping the future of clinical nursing practice.

Dr. Ravindra HN Principal, Parul Institute of Nursing Vadodara Gujrat, emphasized that innovative leadership models are essential for shaping the future of clinical nursing practice. By nurturing effective leaders, the nursing profession can enhance the quality of care, adapt to changing healthcare landscapes, and ultimately improve patient outcomes. His insights call for a commitment to leadership development within nursing education and practice.

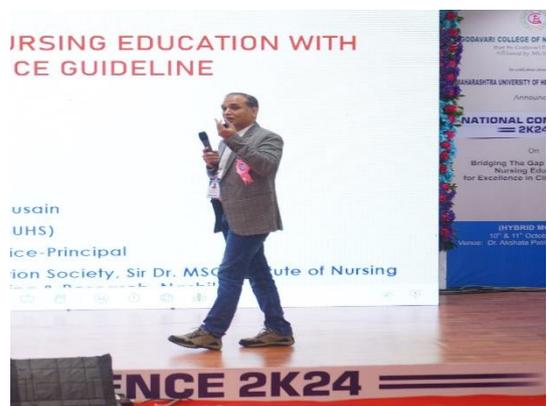

## DAY – 2: 11/10/2024

## Session – 6

### Quality Assurance in Nursing Education with Clinical Practice Guidelines

Dr. Mohmmad Hussain concluded that the integration of quality assurance mechanisms and clinical practice guidelines into nursing education is vital for advancing the profession and ensuring that nursing graduates are well-prepared to meet the challenges of modern healthcare.

## Session – 7

### Interdisciplinary Approaches in Nursing Practice

Dr. Nesa Sathya, Principal, Appollo College of Nursing, Chennai briefed about interdisciplinary approaches are crucial for advancing nursing practice and improving healthcare delivery. By fostering collaboration among diverse healthcare professionals, the nursing profession can enhance patient care, promote innovation, and create a more effective healthcare system. She emphasized the need for continued commitment to interdisciplinary training and practice in nursing education.

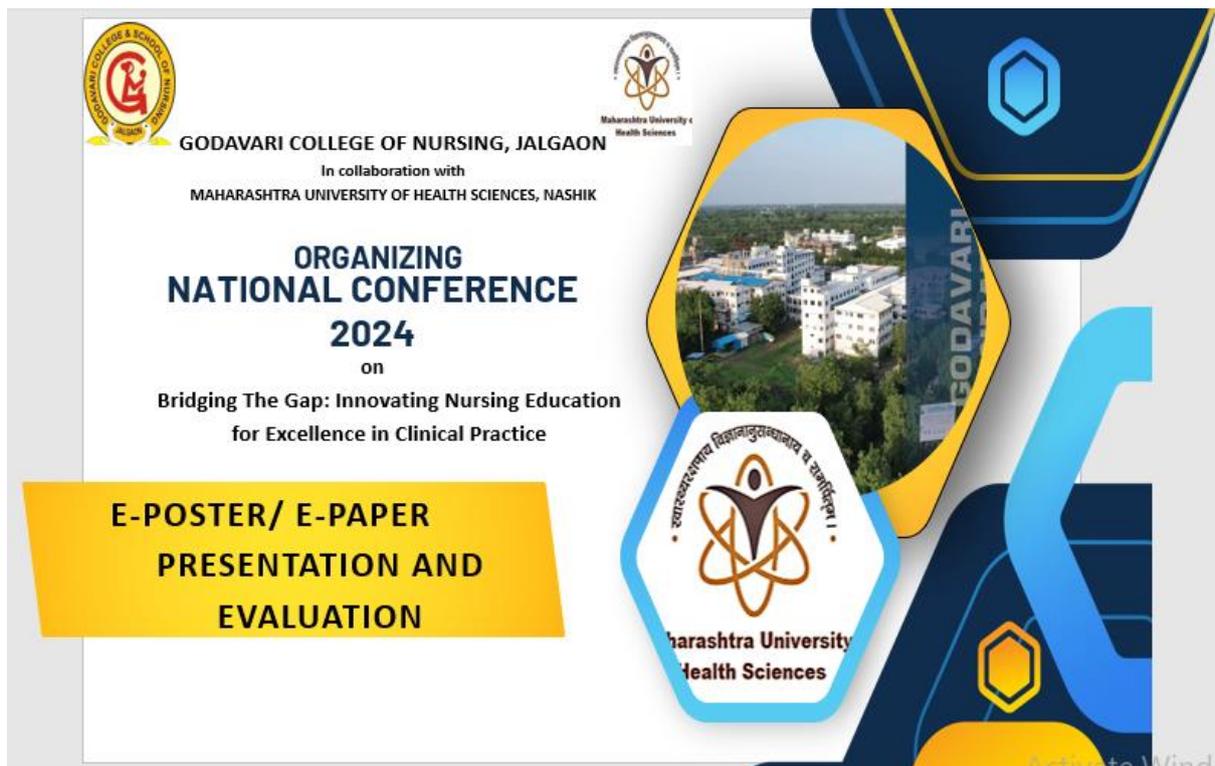

### Panel Discussion

The panel discussion centered around innovative teaching strategies in nursing education, addressing the challenges and opportunities in preparing nursing students for modern healthcare environments. The panelists shared their insights and experiences, highlighting various effective teaching methods and approaches.

Mr. Swapnil Rahane wrapped up the discussion by emphasizing the importance of innovation in nursing education to meet the evolving needs of healthcare. The panelists collectively called for a commitment to integrating diverse teaching strategies that enhance student engagement, promote critical thinking, and ultimately improve patient care outcomes. They encouraged ongoing collaboration among nursing educators to share best practices and foster a culture of innovation.

## E- Research Paper and E- Poster presentation

Posters were presented on the topics related to the theme of the conference. Sixty papers and twenty nine posters were presented on 11/10/2024. Prof. Jacinth Dhaya, Prof. Ashwini Vaidya, Prof. Menao Devi Khuraijam and Prof. Hemangi Murkute evaluated the E- paper presentations and E-Poster based on preset criteria. Two best papers and posters were awarded.

## Cultural Fest & Activities

## Valedictory Function

### Proceeding Report and Vote of Thanks

Prof. Vishakha Ganvir, Professor & Vice Principal, Organising Chairperson read out the report of the 2 days National Conference. She gave in depth detailing of the sessions carried out on 10<sup>th</sup> & 11<sup>th</sup> 2024.

The session concluded with a valedictory function and a vote of thanks proposed by Mrs. Sarika Nair, Faculty, MGM New Bombay College of Nursing.

### Feedback about conference

The feedback about the National Conference was delivered by the representatives from the participants, MNC & MUHS Observer and the resource persons. The analysis of the feedback submitted by all the participants. Participant and guest were highly satisfied with conference and all the arrangement of the conference, all the resource persons and panelist appreciate the hospitality serve by the organizers of Godavari College of Nursing, Jalgaon.
