PLANT A TREE TODAY ; IT WILL HELP US BREATHE TOMORROW.

Tree plantation is an activity that we can all participate in for improving our environment. Trees play a significant role in ecological balance and equilibrium and by protecting trees and growing more trees, we can ensure the health of ecosystems.

A tree plantation campaign - 2021 was held on dated 19th June 2021 at Godavari college of nursing, Jalgaon, under Maharashtra university of health sciences tree plantation campaign - 2021. We have planted 50 plants such as platycladus/ Thuja plant, Chandani white flower plant, Kaner/Oleander flower plant etc. in our campus near to biogas plant.

The tree plantation was done by – Mr. Pravin Kolhe, Administrative officer, GCON, Jalgaon.

Mr. Satish Savake, Director, Godavari college of agriculture, Jalgaon, and his team.

Mrs. Ashwini Mankar, Assistant Professor, Department of child health nursing, GCON, Jalgaon.

Ms. Pooja Tayde And Ms. Ujwala Kadam, M.Sc. Tutor, GCON, Jalgaon. And 40 students of final year Basic B.Sc. Nursing.

The all staff and students of Godavari college of nursing, Jalgaon, assure you that we will continuously monitor and nurture the plants, and in future also we will organize such a wonderful plantation programme.

THANK YOU.
