# **Report on Plan of World**

## **Schizophrenia Awareness Day**

### **AIM'S:**

People should aware of the Schizophrenia & inspire the people to be kind and sensitive with people.

### **OBJECTIVES:**

- To remove stigmas and discrimination associated with Psychiatric disorder.
- To highlight the need of focusing on improving the quality of life of those with Schizophrenia disorder.
- To make sure that people with Schizophrenia get full support.
- To lead a meaningful life as an integral part of the society.

**MAY 24, 2023; MAHARASHTRA:** Godavari College of Nursing, Jalgaon (MENTAL HEALTH NURSING DEPARTMENT) organized the Programme on “**World Schizophrenia Awareness Day**” on dated 24/05/2023 at 10 am to 12 pm.

Recognizing the vital role of our college is spreading the awareness about Schizophrenia in the country.

The program was hosted by **Ms. Madhuri Dhande** and programme began as welcoming of Resource person **Dr. Vilas Chavan (Psychiatrist) DUPMC, Jalgaon**, He inaugurated and initiated the discussion and emphasized upon the importance of “**World Schizophrenia Awareness Day**” as well as its implementation in the daily lives. Head of Department of Psychiatric Nursing **Ms. Ashwini Vaidya Associate Professor, Mental Health Nursing** emphasized the concept of Schizophrenia Awareness in society. The Role as well as responsibilities in Nursing about Schizophrenia and its awareness was discussed by **Mr. Nafees Khan & Ms. Priyanka Gadekar** and the Programme was concluded by **Mr. Sumit Nirmal & Mr. Akshay Wankhede** by giving Vote of Thanks. All other members of Psychiatric Department, **Ms. Hemangi Murkute** (Msc Nursing Tutor), **Mr. Sanket Patil** (Msc Nursing Tutor), **Ms. Meenu Dhaval** (Msc Nursing Tutor) Also students of **Bsc. Nursing III<sup>rd</sup> year** were

actively coordinated in the Programme under guidance of **Ms. Ashwini K. Vaidya Associate Professor & HOD, Dept. Mental Health Nursing & Mr. Pravin Kolhe, Nursing Administrative, GCON Jalgaon.**

**“24 May 2023 World Schizophrenia Awareness”**  
**(THEME:- CELEBRATING THE POWER OF COMMUNITY KINDNESS)**

## CONCLUSION:

The public awareness of Schizophrenia needs improvement. Areas for targeted education were identified to help improve the quality of life of autistic children and their families.

Educational campaigns should target the general public and focus on means to help enhance the quality of life of children with autism and their families.
