- The college was established in 2004 and alumni association was started in 2021.
- The mission of the college of alumni association is to create an environment in which college alumni, Former students, Students and friends become and stay connected to the college and support it with their work, wisdom and wealth.
- Alumni association helps former students find job opportunities and improve their chances of landing job offers with opportunities.
- The reputation of any educational institution depends upon good results, co-curricular activities, environment and investments.
- The support and encouragement, which brings strengths and expansion to the institution's reputation. By alumni association students feel obliged and honoured to return the favours and successes.
- Our alumni are considered as effective role models and are accepted by the students. Many alumni visit the institution during the gathering programme and they share their work experience with the students.
- The Alumni Association is a leading voice in sharing with alumni the college's vision and the accomplishments of the students, faculty, and staff of the college.
- The Alumni Association also celebrates the accomplishments of alumni, both great and small, as the backbone of what's makes our college great.
- The alumni association is an active participant with the various chapters of alumni association, as it engages alumni through programs.
- This engagement will come through educational programs (Working with students and faculty), cultural programs and other activities. Through increased use of technology, alumni is connected with and informed of the college's programs and activities and enabled to connect with and network with one another, individually and through alumni clubs.
