## 6.4.1 (a) Resource mobilization policy document duly approved by College Council / other administrative bodies.

Response :

The system used to monitor effective and efficient use of financial resources is described as below :

- Before the starting of every financial year, principal and administrative co-ordinates and submits a proposal on budget allocation to central account department of organization, by considering the recommendations by the heads of all departments to the management.
- College budget includes recurring expenses such as salary, electricity, internet charges, maintenance cost, stationary, other consumable charges, etc. and non-recurring expenses like lab equipment purchase furniture and other development expenses.
- The expenses will be monitored by the accounts department as per the budget allocated by the management.
- The depreciation cost of various things purchased in the preceding year are also worked out.
