Nasirabad Primary health care center and Tarsod sub center are the areas for rural and urban health care posting in Community Health Nursing subject.

DEPARTMENTAL ACTIVITIES

Medical Surgical Nursing Departmental activities:

The Medical Surgical Department is a unique specialty which focuses on all the common problems of adult has been engaged in various activities throughout the year. Our department remembers all the important days with regard to medical surgical nursing. Some of the recent activities were as follows: World Alzheimer's day was celebrated with the theme "Remember Me". On behalf of World Heart Day -29th September 2018, an awareness programme was organized in PHC.

Child Health Nursing Departmental activities:

Behalf of Child Health Nursing department, Newborn Week was celebrated by giving awareness to the primi mothers regarding the newborn care with the help of pamphlets and flash cards. We prepare our graduates and postgraduates with necessary skills and knowledge to provide comprehensive child care based on recent trends. It has concentrated on delivering evidenced based care to the children and pushing the boundaries of research in children's health. Working with the other departments, we also rendering in patient care, innovative research and and education while promoting excellence in all areas that support children's health

Obstetrical and Gynecological Nursing Departmental Activities:

Obstetrical and Gynecological Nursing department has conducted specific activities with regard to women and child health. On behalf of breast cancer awareness month, a program on the theme "HER" was conducted. On the behalf of women's day an exhibition cum health awareness programme was arranged in our hospital campus and the public got benefited with that programme.

Mental Health Nursing Departmental activities:

Mental Health department played a major role throughout the year by focusing on both academic and non-academic matters of the students. We have been conducted counselling sessions for students based on their problems and helped in problem solving. Mental Health Day was celebrated. Various field visits also been conducted with regard to their curriculum need.

Community Health Nursing Departmental Activities:

To update the recent information with regard to community, various mass awareness activities were carried out by community department. World Leprosy day was celebrated on 30th January. Tuberculosis mass awareness program was successfully conducted in Tarsod village..

STUDENT NURSES ASSOCIATION

We have conducted SNA election and elected the SNA Office Bearers for 2018-2019.

Every month SNA general body meeting has been conducted and the student's representative used to discuss the issues with regard to the students. Student's day was celebrated with the remembrance of Dr. A.P.J. Abdul Kalam. Various competitions were held and our Chairman distributed plant saplings to the winners.

All important days Like Independence Day, Republic Day, International Nurses Day and Teacher's day and the main festivals like Shiv Jayanti, Janmashtami, Christmas Celebration etc were celebrated on respective days.

COMMITTEES

Various committees were functioning in our institution which has been monitored by the respective staff. The committee staff along with the respective students takes their own responsibility in maintaining the professional discipline in all aspects.

MEMBERSHIP

Red Cross Wing started at Godavari college of nursing by including third year BSc nursing students in association with red cross society . The staffs and students of the institution are the active members of TNAI and SNA.

STAFF WELFARE ACTIVITIES

Our Institution has dedicated team of faculties who takes the job responsibility role in every aspect to bring decorum within and outside the campus in all academic and non-academic matters. Every Saturday, the staff was presenting innovative topics to kindle the mind with the new updates on evidence-based practice. Each staff has been given an appraisal based on their performance in order to motivate their further growth. Our staffs and students have published various articles in journals. Many of our staff are the active participants in various conference and also been resource person in workshops and conference. The birthdays of each staff have been remembered.

SPIRITUAL ACTIVITIES

Our institution has a good Zealous spiritual team. We carryout daily prayer before class. Ganesh festival has been celebrated with full enthusiasm .GCON staff and students installed the 'Ganesh idol' in the institute for 5 days. The multi-talented Staff and students of GCON decorated the Ganesha with glittery papers, beautiful flowers; attractive decoration pieces and witnessed student's enthusiasm. Rangoli is an important part of this festival and this is done by our students. Our President, Dr.Ulhas Patil graced the occasion with hspresence. These 5 days were filled with grand 'aartis', delicious prashad and lots of blessing from 'GanpatiBappa'. On 5th days, students participated in Ganpati immersion rally. In the sound of 'Dhol' and 'Taasha'

ALUMINI ASSOCIATION

We have alumni association with the active participation of our alumni students. Our alumni are doing great work in their respective domains and to raise the bar of excellence An interactive link in the college website has been created where, our alumni can post their request, suggestions, and job opportunities as part of continuous interaction process with our alumni.

RESULTS AND PLACEMENT RECORD

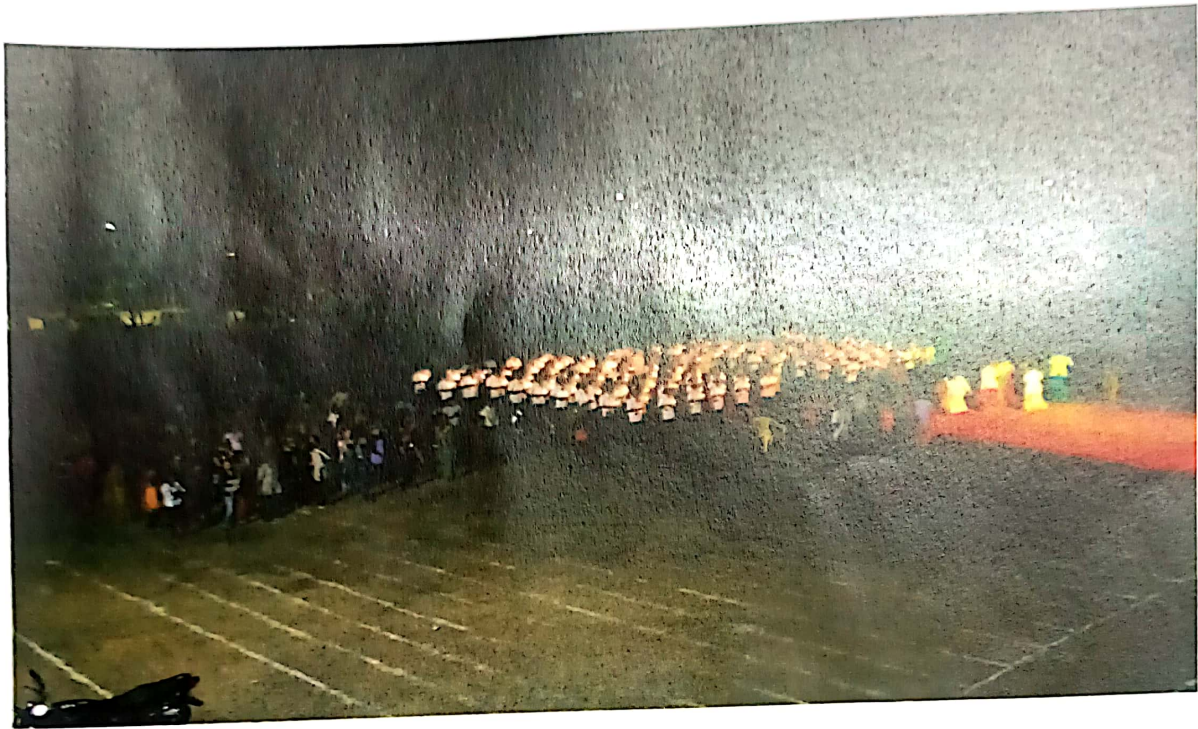

Our institution produces good fruits every year. We acknowledge the teamwork of our dedicated staffs. The excellent academic records of our students do not end with the results. They get translated into fruitful career in several corporate. I am thankful to the management dedication and commitments of the faculty, supporting staff and disciplined students of our college. I hope that the students become more confident, academically bright and morally strong.

VISITS

Students are doing visits of various organization and institution which is an essential part of their learning ex. Milk dairy visit, water purification cancer hospital, deaddiction center.

CONCLUSION

I wish all best to students and congratulate them to be a part of nursing profession. dear students you all are a seed now waiting to be germinated, we are there to take care for you and I can assure that all seeds are going to be a tree one fine day beautiful tree with love and compassion.

The college has made a good forward walk to appear in the progressive and modern face in the nursing arena.

MISSION

- To develop professionals in nursing and health care whose actions manifest into positive change in healthcare outcomes through excellence in nursing education, research, and practice.
- We work with the vision to pursue excellence in nursing education by preparing students to be competent, committed.

- We offer all most all streams of nursing courses like ANM, GNM, B. Sc MSc post basic BSc degree and diploma courses.

VISION

- To pursue excellence in nursing education by preparing students to be competent and ethical.

ACADEMIC PLAN AND CLINICAL POSTINGS

- Students' academic planning is done according to syllabus provided by Indian Nursing Council and by MUHS University.
- For appropriate distribution of hours in various subjects of each year of various programs according master rotation plans have been arranged. Theory and practical hours are distributed as per allotted by our governing body and same has been planned and implemented throughout the academic year.
- Students are posted in different clinical areas as per the need of the syllabus. Students are posted in DUPMC, Godavari Maternity and Chaitnaya hospital for various speciality and general postings.
- Nasirabad Primary health care center and Tarsod sub center are the areas for rural and urban health care posting in community health nursing subject.

ACADEMIC ACHIEVEMENTS

Our institution has always provided its students with a healthy and fairly competitive environment to help them grow in every sphere of activity, be it academics, sports or any other extra-curricular role. We have given equal opportunities to all our students so that they realize their true potential and get ready to face the outer world once they complete their studies.

Students have also made commendable achievements in their academics. Most of our students got distinction in various subjects.

The institution seeks to make qualitative contribution to health care through training personal who are dedicated to the healing ministry.

CONFERENCES AND WORKSHOP

Our college also organized workshop on personality development for the development and up gradation of knowledge of the faculties and their personal and behavioral growth

HEALTH ECONOMICS

- Students are doing visits of various organization and institution which is an essential part of their learning ex. Milk dairy visit, water purification, cancer hospital, DE addiction center.
- Mass health education program, home visit, self-health group services at community level.
- Public awareness rallies on National, International health days.

STUDENT NURSES ASSOCIATION REPORT

- All students are enrolled as members of Student nurses Association at the institutional level. The student nurses association activities for this year commenced with the handing over ceremony in the presence of our respected Principal Prof. Mrs. Meena Joshi . General body meeting will be conducted on monthly basis to find out issues among students. We have conducted SNA election and nominated the SNA Office Bearers for 2017-2018.
- Student's day was celebrated with the remembrance of Dr.A.P.J Abdul Kalam. Various competitions were held and the winners were awarded with prizes. All important days like Nurse's day, Independence Day, Republic day, and Teacher's day were celebrated accordingly..
- International Nurses day celebration was arranged based on the theme. Various programmes like mime, dance and quiz competition were conducted for the students.

CONCLUSION:

All birds find shelter during the rain. But Eagle avoids rain by flying above the clouds. Problems are common, but attitude makes the difference". - byDr.A.P.J Abdul Kalam. I have no doubt that every one of you will excel in your future roles and contribute to the future well-being of society, our nation and the world at large, but do always bear in mind that the key to success in life is not to get ahead of other people, but to get ahead of ourselves. Thanks to all the luminaries on stage for accepting our invitation and also to all the Guests and the tons of untiring efforts of faculty and students. I wish that today's events leave an indelible mark on your memory. May god bless you all. Thank you.
