

**GODAVARI FOUNDATION'S
GODAVARI COLLEGE OF NURSING, JALGAON**

**ANNUAL GENDER EQUITY SENSITIZATION
ACTION PLAN**

Gender equality means that women and men or girls and boys all must enjoy the same rights, resources, opportunities and protection.

Godavari Foundation, Godavari college of nursing is a place where all staff and students are treated with respects: where ability is valued not the background. We are offering equality of opportunity in education and employment.

Our success in promoting gender equality in our staff and students has been substratum by a variety of action and activities outlined below.
