Career Guidance Session on “Placement in Germany” Organized at Godavari College of Nursing

Jalgaon, March 8, 2025 – The Student Support and Progression Cell of Godavari College of Nursing successfully organized a Career Guidance Session on the topic “Placement in Germany”, aimed at equipping students with essential knowledge and guidance for pursuing nursing careers abroad.

The session featured Dr. Lalit Patil (MD Physician, DCH, Pune) as the esteemed guest speaker, in collaboration with ‘Go Global’, a prominent organization known for facilitating international educational and career opportunities. Dr. Patil delivered an insightful presentation focusing on the various prospects available for nursing professionals in Germany.

During his address, Dr. Patil detailed the eligibility criteria, admission procedures, language proficiency requirements, and scholarship opportunities that aspiring candidates must consider when planning to work or study in Germany. He emphasized the importance of German language training (particularly B1 and B2 levels), and provided an overview of the licensing and credentialing process necessary for Indian nurses to practice in Germany.

The session also covered critical aspects such as required skill sets for global placements, visa application procedures, cultural adaptability, and the overall scope of international employment in the nursing sector.

The event witnessed enthusiastic participation from the Principal of the college, faculty members, and a large gathering of nursing students. A special interactive session was held towards the end, where students actively engaged with the speaker, raising thoughtful questions about career planning, challenges, and opportunities abroad.

The college administration expressed its sincere gratitude to Dr. Lalit Patil and Go Global for their valuable contribution and reiterated their commitment to empowering students through more such informative and career-oriented initiatives.

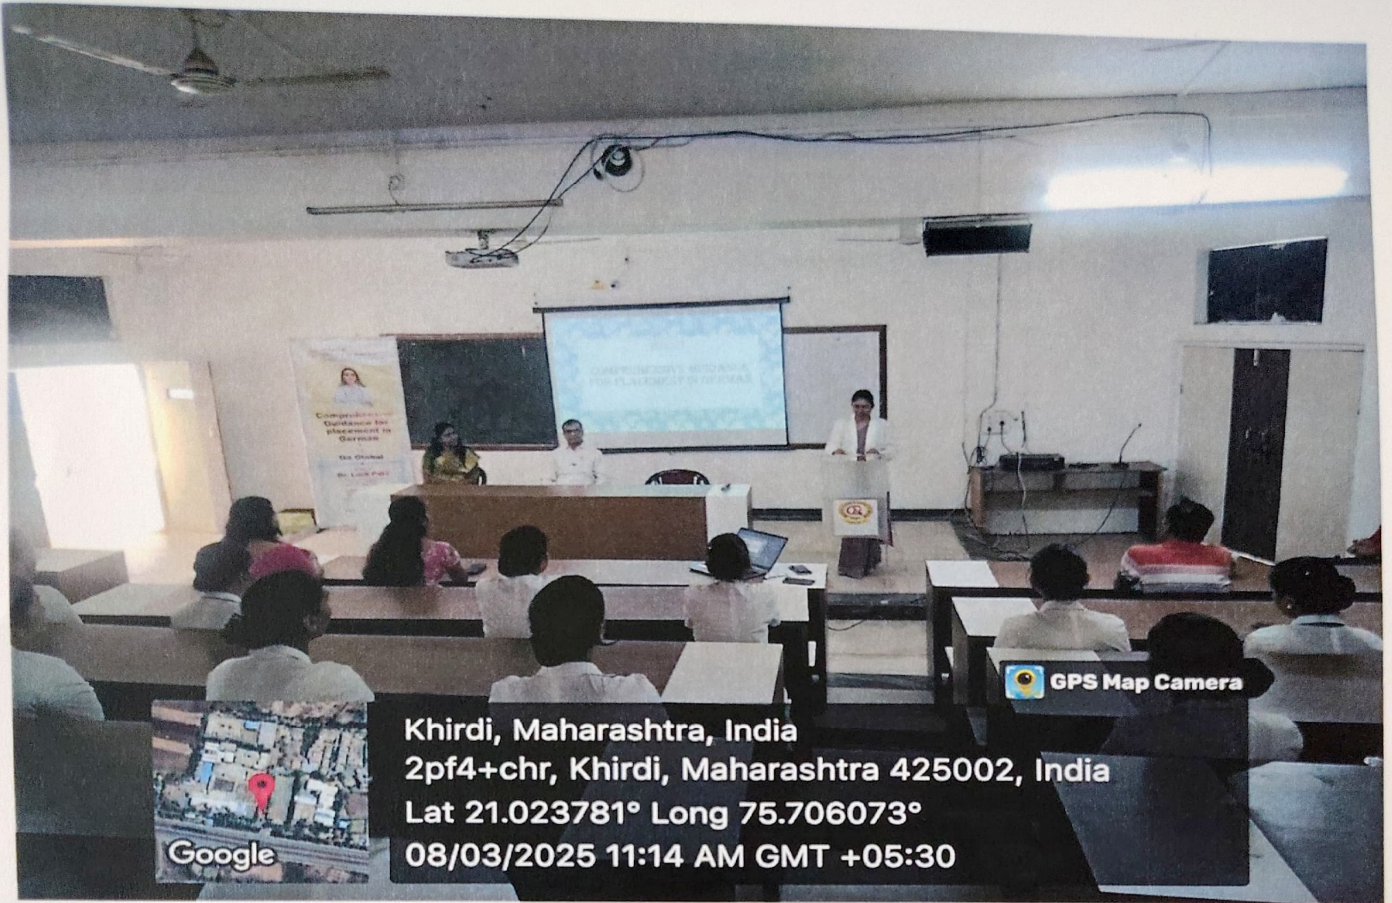

This session marked a significant step toward broadening students' horizons and preparing them to explore global career paths in nursing.
