“एक पेड़ पापा के नाम”

A Tribute to Parents Through Trees, Service and Sustainability

Date: Saturday, 08 August 2026

Time: 10:00 AM onwards

Venue: Godavari Institute of Management and Research (GIMR) Campus, MIDC, Jalgaon

Organized By: Rotaract Club of Godavari Elite, Jalgaon

Occasion: Birthday of Dr. Ketki Patil Ma'am

Theme: Honouring fathers through tree plantation and environmental stewardship

Objectives of the Programme

1. To promote environmental conservation and sustainable development.
2. To increase green cover within and around the institutional campus.
3. To create awareness about the importance of trees and biodiversity.
4. To honour fathers through a socially meaningful and lasting tribute.
5. To encourage students and Rotaract members to take responsibility for tree care and maintenance.

The Tree Plantation Programme titled “एक पेड़ पापा के नाम” was organized on Saturday, 08 August 2026 at the Godavari Institute of Management and Research (GIMR) Campus, MIDC, Jalgaon. The initiative was organized by the Rotaract Club of Godavari Elite, Jalgaon, in collaboration with the Rotary Club of Jalgaon Elite, as part of a meaningful environmental and social-responsibility activity conducted on the occasion of the birthday of Dr. Ketki Patil Ma'am. The programme combined environmental conservation with a heartfelt tribute to fathers. Participants planted and supported the establishment of trees within the campus premises, demonstrating that a tree can serve as a living symbol of love, remembrance,

responsibility and hope for future generations. The event also continued the legacy of the previous year's "एक पेड़ माँ के नाम" initiative.

The 2026 project was planned around 50 trees under the "एक पेड़ पापा के नाम" theme, following the planting of 50 trees under "एक पेड़ माँ के नाम" in 2025. Thus, the two-year initiative aims to create a combined legacy of 100 trees in honour of parents. The photographs and programme information document active participation by Rotarians, Rotaractors, dignitaries, faculty members, students and community representatives.

The theme "एक पेड़ पापा के नाम" translates to "One Tree in the Name of Father." It gives a personal and emotional meaning to environmental conservation. Instead of viewing tree plantation only as a one-day activity, the project encourages participants to associate each planted tree with the memory, values and blessings of a father.

Guests, Dignitaries and Institutional Representatives

- Dr. Ulhas Patil – President, Godavari Foundation & Former Member of Parliament.
- Dr. Ketki Tai Patil – Dignitary and the occasion's birthday honouree.
- Shri Sanjay Tapadiya – President, Rotary Club of Jalgaon Elite.

- Dr. Prashant Warke – Director, Godavari Institute of Management and Research.
- Dr. Neelima Warke – Principal, Dr. Varsha Patil Women's College.
- Esteemed Rotarians, Rotaractors, faculty members, students and invited participants.

Godavari College of Nursing actively contributed to the programme through the participation of faculty members and students. Their involvement demonstrated the institution's commitment to community engagement, environmental responsibility and holistic student development.

Faculty participants:

- Mr. Nilesh Patole
- Ms. Roshani Bhagat

Student participants:

- Jahnvi Sonawane
- Roshni Bhat
- Manasvi Raut
- Sheetal Dhaigude
- Sheetal Talekar
- Lokesh Dhandhe
- Shantanu Wayal
- Daniyal Khwaja

Plantation Details and Project Impact

The programme information records 50 trees as the 2026 “एक पेड़ पापा के नाम” initiative. The documented plantation activity at the campus involved active hands-on planting and watering by participants. The project also identifies tree varieties such as Gulmohar, Vad (Banyan), Peepal, Chinch (Tamarind) and other suitable species.

Conclusion

The “एक पेड़ पापा के नाम” Tree Plantation Programme held on 08 August 2026 at the GIMR Campus, MIDC, Jalgaon, was a meaningful initiative combining environmental conservation, family values, youth participation and community service. Organized by the Rotaract Club of Godavari Elite in collaboration with the Rotary Club of Jalgaon Elite, the programme received active participation from dignitaries, Rotarians, Rotaractors, faculty members and students.

The initiative transformed a birthday celebration into a constructive social and environmental contribution. The continuation from “एक पेड़ माँ के नाम” in 2025 to “एक पेड़ पापा के नाम” in 2026 created a strong two-year legacy of 100 trees dedicated to the love and respect for parents. The involvement of Godavari College of Nursing students and faculty further highlighted the role of nursing education in promoting community participation, environmental health and responsible citizenship.

“A tree planted with love today becomes a legacy for tomorrow.”
