**FACULTY DEVELOPMENT PROGRAMME ON USE OF CHAT GPT**  
**AND AI USE IN NURSING.**

- **DATE:** 8/4/2024 - 13/4/2024
- **VENUE:** Seminar Hall, Godavari College of Nursing, Jalgaon.
- **INTRODUCTION:**

The Faculty Development Program spanning six days, from April 8th to April 13th, 2024, was successfully conducted at the Seminar Hall of Godavari College of Nursing. The program aimed to equip faculty members with comprehensive insights into leveraging Chat GPT and AI in educational settings to enhance teaching methodologies and learning outcomes.

- **AGENDA:**

- **Day 1: Welcome and Introduction**

The program commenced with a warm welcome and introduction by Mr. Pramod Bhirud, the facilitator of the session. Participants were introduced to the objectives and structure of the six-day program.

- **Day 2: Overview of Chat GPT and AI**

Mr. Pramod Bhirud provided an in-depth overview of Chat GPT and AI technologies, emphasizing their significance in revolutionizing the educational landscape. Concepts such as natural language processing, machine learning, and neural networks were explained to facilitate better understanding.

- **Day 3: Applications in Education**

Participants gained insights into various applications of Chat GPT and AI in education, including personalized learning, automated grading, virtual tutoring, and curriculum development. Case studies and examples were presented to illustrate real-world implementations of these technologies in educational institutions.

- **Day 4: Hands-on Training Session**

A hands-on training session was conducted, allowing participants to explore the functionalities of Chat GPT and AI tools firsthand. Participants were guided through practical exercises to create and implement educational materials using these technologies.

- **Day 5: Q&A and Discussion**

The session concluded with an engaging Q&A session, providing participants with an opportunity to clarify doubts and share their experiences. Discussions centered on challenges and opportunities in integrating Chat GPT and AI into teaching methodologies.

- **Day 6: Conclusion and Next Steps**

Mr. Pramod Bhirud summarized the key learnings from the six-day program and emphasized the importance of implementing the learnings in participants' teaching practices. Next steps, including encouraging faculty members to apply the acquired knowledge and exploring further training and collaboration opportunities in educational technology, were discussed.

- **OUTCOME:**

Participants enhanced their understanding of Chat GPT and AI technologies and their applications in education. Faculty members expressed enthusiasm about integrating these tools into their teaching methodologies to enhance student engagement and learning outcomes.

The program fostered collaboration and knowledge-sharing among participants, creating a supportive community of educators interested in leveraging technology for educational advancement.

- **CONCLUSION:**

The six-day Faculty Development Program provided faculty members with valuable insights and practical skills to effectively utilize Chat GPT and AI in educational settings. The program served as a stepping stone towards transforming teaching practices and enhancing student learning experiences. Special thanks to Mr. Pramod Bhirud for her expert facilitation and to all participants for their active engagement and contribution to the success of the program.

- **NEXT STEPS:**

Encourage faculty members to implement the learnings from the program in their teaching practices. Explore opportunities for further training and collaboration in the field of educational technology to continue fostering innovation and excellence in education.

- **ACKNOWLEDGMENTS:**

We extend our gratitude to Mr. Pramod Bhirud for her expertise and support in conducting the program. Special thanks to the organizing team for their efforts in ensuring the success of the event..
