**Venue :** Dr. Ulhas Patil Farm

**Beneficiaries :** All students of B.Sc 1<sup>ST</sup> YEAR .

### **OBJECTIVES:**

- To **respect birds and promote their conservation.**
- The goal of the day is to educate folks on the destructive tendencies of the bird trade, the cruelty of bird breeding mills, and ideas for helping and improving the lives of birds that are already living in captivity.
- Draw attention to threats faced by migratory birds, their ecological importance , and the need for the international cooperation to conserve them.
- To make bird feeder pot to feed food and water to birds.

### **INTRODUCTION:**

National Birds Day is observed on **5 January** to raise awareness about birds that are captured or produced in captivity for monetary gain or pleasure.

National Bird Day 2023: On January 5, National Bird Day is celebrated to raise awareness of the value of tiny tweets in the ecosystem. National Bird Day, which has American origins, has been celebrated annually on January 5 since its inaugural event in 2002.

This particular day was chosen because January 5 also happens to be the day of the yearly "Christmas Bird Count.

### **REPORT ON NATIONAL BIRD DAY - 2023**

The Godavari college of nursing, Jalgaon organized "National Bird Day" under green initiative committee on dated 5<sup>TH</sup> January 2023. Bird feeder activity was conducted in which B.Sc. 1<sup>st</sup> year students participated and made handmade bird feeder pots to provide food, water and shelter to birds. Among all the students 17 groups were made and each group include 05 students.

All participants have done a wonderful role and create awareness among people and spread meaningful information about national bird day. Students participated with vigour and enthusiasm and shows their skill and talent in handmade craft items for bird feeder activity.

It helps the students to showcase their talent. So we can able to find out such students who have really blessed with such an amazing art. We also motivated our students in this direction for their bright future.

The programme was organized by Mrs. Ashwini Mankar( Assit. Professor ), Ms. Dipali Gote M.Sc. Tutor, Ms. Yamini Waghmare, Tutor, Ms. Collet Londhe Tutor and Ms. Sanskruti Deshmukh, Tutor of GCON Jalgaon as well as the green initiatives committee members.

The programme is well organized for students and well appreciated by the all participants.
