REPORT

Intellectual property rights are the legal rights that cover the benefits given to individuals who are the owners and inventors of work and have created something unique with their intellectual creativity or capability. Regarding this **GODAVARI COLLEGE NURSING, JALGAON, MAHARASHTRA IN ASSOCIATION WITH RAJIV GANDHI NATIONAL INSTITUTE OF INTELLECTUAL PROPERTY MANAGEMENT GOVERNMENT OF INDIA, Nagpur** (Under

National Intellectual Property Awareness Mission) Organizes National Level Webinar on 31 October 2023 at 12.00 Pm to 1.00 Pm. The Resource person of programs was Respected Dr. Bharat N. Suryanwanshi, Assistant Controller of Patents and Design RGNIIPM- Nagpur. Organizing secretary -Dr.Priyadarshani Moon, Associate professor, Gecon .Chairperson Prof.Vishakha Wagh ,Vice principal of Gecon. The webinar was delivered from the Godavari college of nursing,Jalgaon Over 200 participants attended the webinar through online mode. Participants were welcomed by moderator , Convenor, IPR Cell,Godavari College and the on Line Platform handover to resource persons at 12.25pm, followed by initial remarks from Principal. The webinar was inaugurated by our vice Principal prof.Vishakha Wagh at 12.20 pm with inaugural address. During his inaugural address vice principal stressed the importance of IPR and its relevance in these times and its necessity for the advancement in research and development in India. Moderator, Dr.Priyadarshani Moon, presided over the session. Background of the webinar and introduction of speaker was given by Dr. Bharat N. Suryanwanshi, Assistant Controller of Patents and Design RGNIIPM- Nagpur. spoke on the topic of "IPR". His lecture started with an introduction to Intellectual Property Laws and spanned across the different disciplines related to IPR. He pointed out that IPR is no more confined to the legal fraternity, but has spread across all disciplines because of which it has an impact and significance on arts, science, commerce, management and business. Patents copyright and trademarks have great significance not only in the uplifting the knowledge economy but also in fine-tuning it. He elucidated the meaning of intellectual use of traditional knowledge with an example of basmati rice case of 1997. He recalled the 1980's IPR laws in India. Also, he recollected his PG teaching to genetics students of University of Mysore during 2005-06 related to intellectual property rights and

technology transfers. He gave an overview on the importance of legislation in the field of science and arts community, how innovation comes with different disciplines with collaboration research, marketing innovations etc. He explained how to file a patent in India itself with respect to life science, biotechnology, computer science and physical sciences and also in the context of collaboration research. He briefed on IPR laws in different countries like USA, Germany, UK etc. He gave an overview on the claim drafting to capture a molecule or a compound, process, methods, drugs, claims to monopoly, copyright for arts, authoring music, painting, movie, computer programme, first author claim of book, translator claim to different language and trademarks used in the court of business and management etc. Then he discussed on different aspects of intellectual properties like industrial design, geographical indication, This session went up to 1.20 pm followed by 10 minutes of interaction with participants. Speaker was impressed with the query of one of the participant on copyrights of article and Books. The Webinar was highly informative to students, teachers and research scholars. Teachers and students from other departments, colleges, universities and research institutes from different parts of India participated in the webinar. Thus webinar provided valuable awareness and insights on the various aspects of IPR.
