REPORT ON: SWACHH BHARAT MISSION

DATE AND TIME: 01/10/2023 9:45 AM

**ORGANIZING COMMITTEE: DEPARTMENT OF COMMUNITY HEALTH
NURSING**

OBJECTIVES:

1. To accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation by cleaning river.
2. To encourage students for promoting cleanliness ,garbage free India
3. To eliminate or reduce open defecation.
4. To make city clean through behavioural change.
5. To eliminate the burden of communicable disease which India has like Malaria, Diarrhoea, Cholera.

INTRODUCTION

Swachhata Hi Seva (SHS) campaign is being celebrated from 15th September to 2nd October this year under the joint aegis of DDWS & MoHUA for undertaking shramdaan activities aiming to generate janandolan through community participation.

Theme of SHS-2023 is 'Garbage Free India' with focus on visual cleanliness and welfare of SafaiMitras. The focus of these swachhata drives would be on high footfall public places like bus stands, railway stations, cantonment boards, beaches, tourist places, zoos, national parks & sanctuaries, historical monuments, heritage sites, river fronts, ghats, drains and nallahs etc. in both rural & urban areas of State/ UT.

Godavari college of nursing ,Jalgaon and DUPMC&H organizedswachhataabhiyan under swachhbharat missionon the occasion of Mahatma Gandhi birth anniversary. The mission wasaim to create awareness among people of Jalgaon.

BRIEF REPORT ON SWACHH BHARAT MISSION: 01 OCTOBER 2023

The program of swachhbharat mission was organized in collaboration with DUPMC&H and Godavari College of nursing, Jalgaon.

The programme was started at 10:00 am student and faculties went to manyarkhedaLake Jalgaon.

Dr. Ketkipatilmember of Godavari foundation were present for the swachhbharat mission. She started the cleaning by pickling the plastic bag on lake. The manyarkheda lake area was cleaned by our students and faculties.

Dr. Ketkipatil Member of Godavari foundation has motivated our students by delivering speech to our students about the cleanliness and garbage free India. She also encouraged our students about theme of this mission swachhata hi seva.

The program was instructed by Mrs. Jacinth Dhaya Associate Prof. (HOD of Community Health Nursing) and was helpful to our students.

Conclusion: Lake and river are more contaminated due to weathering of rocks plastic industrial pollutants, faces in water due to settlements or animal activity. There is need to clean the lake, river through the mission of swachhbharat. Students were learnt about swachataabhiya and swachhata hi seva.
