TREE PLANTATION PROGRAMME

Date: 6/4/2024

Venue: DUPMC, Jalgaon

Introduction:

On the 6th of April, 2024, the Fundamental of Nursing Department at Godavari College of Nursing, Jalgaon, organized a Tree Plantation Program. The event was held with the aim of promoting environmental sustainability and fostering a sense of community among the students and faculty. The program was graced by the presence of esteemed guests, including Dr. Ulhas Patil, President of DUPMC, Dr. Prashant Solanki, Dean of DUPMC, Prof. Vishakha Wagh, Principal of Godavari College of Nursing and Mr. Piyush Wagh, Head of the Fundamental of Nursing Department.

Event Details:

The program commenced with an opening address by Dr. Ulhas Patil, who highlighted the importance of environmental conservation and the role of educational institutions in promoting green initiatives. Dr. Prashant Solanki, in his speech, emphasized the need for sustainable practices to combat environmental challenges.

Prof. Vishakha Wagh, the Principal of Godavari College of Nursing, spoke about the significance of instilling environmental consciousness in healthcare professionals. She stressed the role of nurses in advocating for sustainable healthcare practices.

Mr. Piyush Wagh, the Head of the Fundamental of Nursing Department, provided an overview of the department's efforts to integrate environmental sustainability principles into the nursing curriculum. He highlighted the importance of hands-on experiences, such as tree plantation drives, in nurturing environmentally responsible healthcare professionals.

The tree plantation drive saw enthusiastic participation from nursing students and faculty members. A variety of saplings were planted, including fruit-bearing trees, flowering plants, and indigenous species, adding to the college's green cover.

Conclusion:

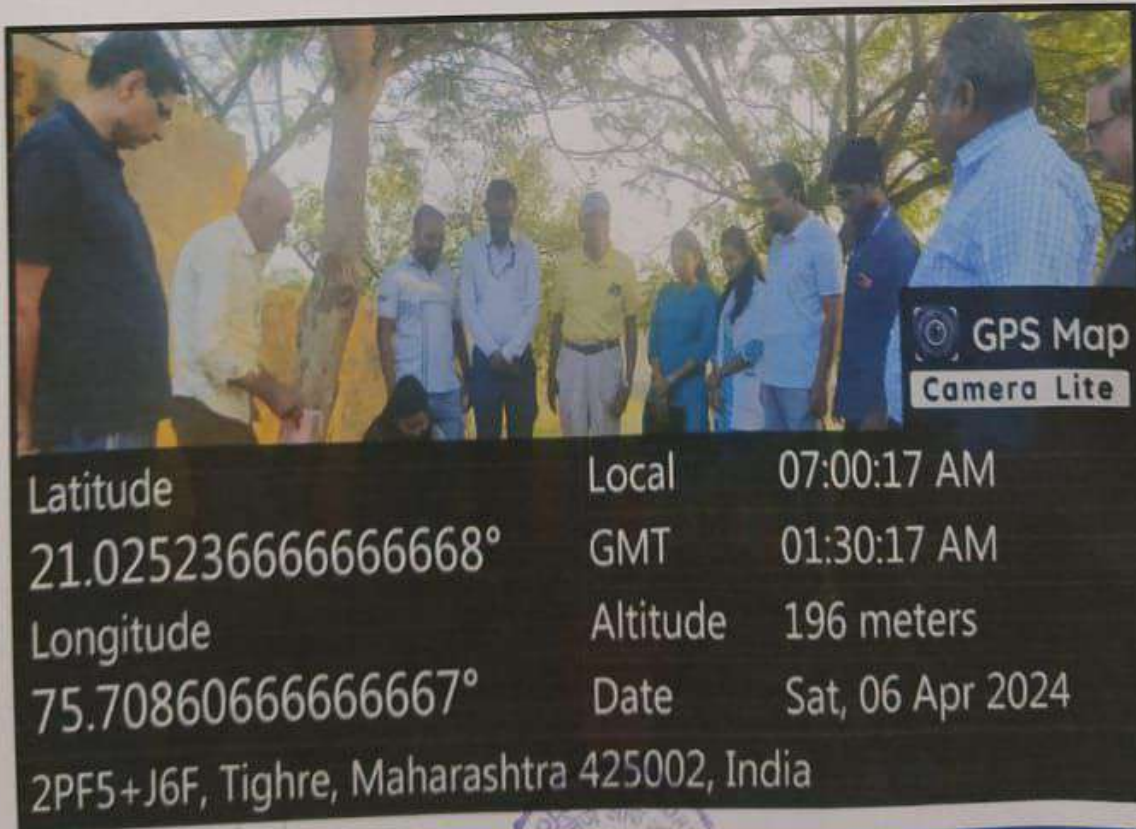

The Tree Plantation Program organized by the Fundamental of Nursing Department at Godavari College of Nursing was a meaningful initiative that highlighted the importance of environmental conservation and community engagement. Such events play a crucial role in fostering a sense of responsibility towards the environment among future healthcare professionals.
