REPORT OF WEBINAR ON HYPOPNEA AND ITS ROLE IN PREVENTING STROKE

DATE – 18th May 2024

TIME – 11:00 AM – 12:00 PM

ORGANIZING COMMITTEE – DEPARTMENT OF MEDICAL SURGICAL NURSING

Objectives:

1. Educational Focus: To provide attendees with a comprehensive understanding of hypopnea, its definition, and its significance in respiratory and cardiovascular health.
2. Highlighting the Link to Stroke Prevention: To elucidate the relationship between hypopnea and the risk of stroke, emphasizing the importance of early detection and management of hypopnea in stroke prevention strategies.
3. Clinical Implications: To explore the clinical manifestations of hypopnea and its implications for nursing practice.
4. Professional Development: To foster professional growth and development among attendees by providing them with valuable insights.
5. Promoting Research and Innovation: To encourage attendees to explore potential avenues for further research and advancements in the field of hypopnea management.
6. Networking and Collaboration: To provide a platform for networking and collaboration among nursing professionals.

Introduction

On May 18, 2024, the Department of Medical Surgical Nursing organized a webinar focusing on the topic of "Hypopnea and its Role in Preventing Stroke." The webinar aimed to shed light on the significance of hypopnea in stroke prevention, featuring Mr. Elby K Paul, a distinguished speaker from Prof. Chirayu College of Nursing, Bhopal.

The moderator of this event was Ms. Rashmi Tembhurne Assistant Professor of Department of Medical Surgical Nursing, GCON. Along with the members of the Dept. of MSN, GCON.

PROCEEDINGS

During the webinar, Mr. Elby K Paul elaborated on various aspects related to hypopnea and its pivotal role in preventing strokes. Attendees gained insights into the following key areas:

1. Understanding Hypopnea: Mr. Paul provided a comprehensive overview of hypopnea, emphasizing its significance in respiratory health and its potential impact on cardiovascular functions.
2. Link to Stroke Prevention: The speaker elucidated the correlation between hypopnea and stroke risk, highlighting how early detection and management of hypopnea can contribute to stroke prevention strategies.
3. Clinical Implications: Attendees received valuable insights into the clinical manifestations of hypopnea and its implications for nursing practice, patient care, and health outcomes.
4. Future Directions: Mr. Paul discussed potential avenues for further research and advancements in the field of hypopnea management, underscoring the importance of continuous learning and innovation.

Conclusion:

The webinar on "Hypopnea and its Role in Preventing Stroke" proved to be an enriching and enlightening experience for all participants. Through the expertise shared by Mr. Elby K Paul and the dedicated efforts of the organizing team, attendees gained valuable knowledge that can significantly contribute to their professional growth and the enhancement of patient care practices in the domain of medical-surgical nursing.

GLIMPSES OF WEBINAR ON HYPOPNEA AND ITS ROLE IN PREVENTING STROKE

गोदावरी कॉलेज ऑफ नर्सिंगच्या वैद्यकीय सर्जिकल नर्सिंग विभागातर्फे

‘हायपोनिया आणि स्ट्रोक रोखण्यात त्याची भूमिका’ कार्यशाळा

जळगाव - गोदावरी कॉलेज ऑफ नर्सिंगच्या वैद्यकीय सर्जिकल नर्सिंग विभागातर्फे नुकताच हायपोनिया आणि स्ट्रोक रोखण्यात त्याची भूमिका या विषयावर अॅनलाईन राष्ट्रीय वेबिनार आयोजित केला होता. हे सत्र सर्व सहभागीसाठी माहितीपूर्ण, शैक्षणिक, नाविन्यपूर्ण आणि प्रेरणादायी होते.

भोपाळच्या चिरायु कॉलेज ऑफ नर्सिंगचे प्रतिष्ठित वक्ते प्रा.एल्बी के पांल हे उपस्थीत होते. अॅनलाईन वेबिनारमध्ये मुरुवातीला मान्यवराचे स्वागत करण्यात आले. विभागप्रमुख प्रा. मनोरमा कशयप यांनी ग्रास्ताविकात प्रमुख पाहुण्याचा परिचय थोडक्यात करून दिला. वेबिनारमध्ये संपूर्ण भारतातून एकूण ३०० लोक सहभागी झाले होते.

यावेळी बोलतांना प्रा.एल्बी के पांल यांनी वेबिनार दरम्यान, श्री. एल्बी के पांल यांनी हायपोनियाशी संधित

विविध पैलू आणि स्ट्रोक रोखण्यासाठी त्याची महत्वपूर्ण भूमिका स्पष्ट केली.

हायपोनिया समजून घेणे, स्ट्रोक प्रिव्हेशनशी लिंक, क्लिनिकल परिणाम. भविष्यातील दिशा: श्री. पांल यांनी सतत शिकणे आणि नावीन्यपूर्णतेचे महत्व अधोरेखित करून हायपोनिया व्यवस्थापनाच्या क्षेत्रात पुढील संशोधन आणि प्रगतीसाठी संभाव्य मार्गांवर चर्चा केली. स्ट्रोक प्रतिबंधात हायपोनियाच्या महत्वावर प्रकाश टाकण्याचा उद्देश वेबिनारचा होता.

कार्यक्रमाचे सुत्रसंचालन प्रा रश्मी टेंथुर्णे यांनी केले तर विभागप्रमुख प्रा मनोरमा कशयप यांच्या मार्गदर्शनानुसार प्रा प्रशिक चक्काण, प्रा प्रिती गायकवाड, प्रा सागर मसने आणि प्रा शुभांगी गायकवाड यांनी परीक्रम घेतले.
