Report on Plan of World Autism Awareness

Day

AIM'S:

People should aware of the autism & inspire the people to be kind and sensitive with people.

OBJECTIVES:

- To remove stigmas and discrimination associated with neurological differences.
- To highlight the need of focusing on improving the quality of life of those with autism spectrum disorder.
- To make sure that people with autism get full support.
- To lead a meaningful life as an integral part of the society.

APRIL 02, 2021; MAHARASHTRA: Godavari College of Nursing, Jalgaon (MENTAL HEALTH NURSING DEPARTMENT) organized an Virtual Programme on “**World Autism Awareness Day**” on dated 02/04/2021 at 9 am to 1 pm.

Recognizing the vital role of our college is spreading the awareness about Autistic Disorder in the country.

The program was hosted by **Ms. Himangi Murkulte** and programme began as welcoming of Resource person **Ms. Sachi Bang (Psychiatrist) DUPMC&H Jalgaon**, She inaugurated and initiated the discussion and emphasized upon the importance of “**World Autistic Awareness Day**” as well as its implementation in the daily lives. Head of Department of Psychiatric Nursing **Ms. Ashwini Vaidya Associate Professor, Mental Health Nursing** emphasized on the importance of Nursing responsibilities in Autistic Disorder. And the Programme was concluded by **Mr. Sumit Nirmal** by giving Vote of Thanks. All other members of Psychiatric Department, **Ms. Megha Kumbhare** (Msc Nursing Tutor), **Ms. Shilpa Waghmare** (Nursing Tutor), **Ms. Diksha Dhanvijay** (Nursing Tutor), **Ms. Kajal Ghate** (Nursing Tutor), **Mr. Rohit Athavle** (Nursing tutor) were actively coordinated in the Programme under guidance of **Ms. Ashwini K. Vaidya Associate Professor & HOD, Dept. Mental Health Nursing & Mr. Pravin Kolhe, Nursing Administrative, GCON Jalgaon.**

CONCLUSION:

The public awareness of Autism needs improvement. Areas for targated education were identified to help improve the quality of life of autistic children and their families.

Educational campaigns should target the general public and focus on means to help enhance the quality of life of children with autism and their families.

Photographs documenting the above events are enclosed herewith.
